Clean out your closets. Help your school raise money.

You have one month from now to donate!

Please bring your gently and beyond gently used clothing and shoes back to school and help us fill up the **Red Apple Recycling** donation box. For every pound we collect, the school will earn money to help pay for sustainability and wellness programs throughout the year.

The top 3 schools will win a bonus. Help us be #1!

Fill up a bag(s) with those items you no longer want or need. Tell your neighbors, families and friends about the clothing drive.
